Internship ESG and B-corp

Job Description

Are you passionate about sustainability? Do you want to make a positive impact on the world? Are you looking for an innovative environment where you can help business and brands to realize a better tomorrow?

Job Requirements

As an intern you will be part of our small and ambitious team, working closely with experienced change makers in business. You will be part of our team and experience how IMPACTING.today helps business and brands to integrate sustainability in the core of their business model. You will get to know how this works in daily practice, develop new skills and can bring your own passion and drive to the table!

Your role

- You will be working 4 days per week
- Actively taking part in weekly meetings about planning and strategy
- Setting up the B-Corp registration for IMPACTING.today
- Help develop ESG measurement process based on the CSRD requirements

Your profile:

- Proactive and 'hands-on', adaptative, positive personality able to deliver in a fast-paced working environment
- Analytical, result oriented and with good skills in PowerPoint and Excel
- Intrinsic passion for sustainability, business and brands and making impact
- Bachelor or master phase – HBO or University
- Fluent in both Dutch and English speaking and writing.

Please send us an [email](#) with your CV and motivation letter to before 20 July 2022.

We look forward to hearing from you!
